The food quality has gone downhill. They changed the menu over the last few years. I was looking forward to their fajita for platter, and it was removed from the menu. Very disappointed with meal choices. We were adults and almost all of us were disappointed with the quality of our food. [read more](#). What [User](#) doesn't like about Jack Astor's Laval:

There was a miscommunication between reception and waiter so we waited quite some time to be approached by server, the calamari were over cooked and not presentable the steak was not well done when it was asked for Overall Jack astors has lost a lot of its previous awesomeness. It's more of a hole in the wall dining experience [read more](#).
