What [User](#) likes about Big D's Burger Shack:

As above: Hamburger was great!! We came across this Burger trailer on the main road (the [Nanton](#) motorway when we went through. The lady (part-owner?) was very pleasant. Burgers tasted so good (like making mother earlier!! It was good to stop... for a bite to eat, as we became a bit of street waste. Unfortunately no milkshakes.

Cheap parking on the side of Burger Shack. Merry travel, dear TripAdvisor friends! [read more](#). In beautiful weather you can even eat in the outdoor area. What [User](#) doesn't like about Big D's Burger Shack:

Would only stop here again if there were no other options. My husband and I had the cowboy burger, fries and fried zucchini. The burger was okay, the beef tasted like it had too much filler in it. At the establishment, the fresh and succulent juices on the drinks menu wonderfully complement the menus, Naturally, you should also taste the **scrumptious burgers**, accompanied by sides like fries, salads, or wedges offered. Furthermore, you'll find scrumptious American dishes, like for instance burgers and grilled meat on the menu, this *sports bar* is a favourite among the visitors, who enjoy not only the fantastic food and drinks, but also the opportunity to watch the latest games or races on the big TV.
