What [User](#) likes about Monkey Sushi: I come here for lunch takeouts on a weekly basis. They have some good deals on delivery apps but the portions are usually really good. I usually go for the matsu box because the portions are huge. It comes with so much stuff it's enough for 2 people. I would also recommend the torched sushi, which has this delicious sauce on top of it.

I'm hoping to be able to dine in some day when the pandemic actually ends so I can... [read more](#). What [User](#) doesn't like about Monkey Sushi:

not from here. I never give 1 star ratings, but that deserves it. they have applied for the floods because they had a rather tempting deal with their Monkie special set. the food was delivered on time and looked good. that's all positive what I can say from here. the sushi itself did not taste fresh. the rice tasted like he was a day old, and I found plastic pieces in one of the rolls. as it turned out that the chef...
