What [User](#) likes about Booyah:

to be here a few times, are the ice sandwiches and tacos super delicious! the cookies and wafer used are not generic, they taste homemade and have an amazing texture. Although it is a small place, it is a really good buck for her buck, the portions are huge! I always see line ups when I pass a hot day, and the presentation is fantastic. [read more](#).

The premises in the restaurant are wheelchair accessible and can also be used with a wheelchair or physiological disabilities, and there is free WLAN. What [User](#) doesn't like about Booyah:

They had 4 vegan options for ice cream (vanilla, chocolate, coffee, vanilla soft serve) and 2 vegan cookie options (double chocolate, chocolate chip). They only do the vegan ice cream sandwiches as half sandwiches. Got two scoops of ice cream and it was decent, not overly sugary but not super flavourful. [read more](#). It should not be forgotten that there is a extensive selection of coffee and tea specialties in this restaurant, For a snack, the tasty **sandwiches**, small salads and other snacks are suitable.
