Here you can find the [menu](#) of **Gladstone Cafe** in Toronto. At the moment, there are **26** dishes and drinks on the card. The Gladstone is a vibrant Art and Culture hub in Toronto, with a range of activities and events to offer. While the breakfast was functional, the food quality is inconsistent - from a cold bacon and egg plate to an overpriced omelet. Drag Brunch and Thai Street Food catering did not meet expectations, with lackluster presentations and disappointingly bland flavors. Despite this, the staff is friendly, and the ambiance is lively and energizing. The hotel provides a unique experience, perfect for art enthusiasts and those seeking a fun atmosphere. Overall, The Gladstone offers a mixed bag but promises an entertaining stay.
