Food was great, serving size was bigger than expected, but good. Only bad brand was when the waiter heard a different drink order than what I said, but unlike this service was excellent. [read more](#). What [User](#) doesn't like about Dee - Thai Cuisine:

Had not our reservation- there was someone with the same name that called; thought these people were us. They said they had no tables left and offered us to sit at the door, which was icy and we had to eat with out jackets. They contained the top (18% for a party of 5 afterwards. [read more](#). The guests love it when Asian cuisine meets a bit of creativity. That's exactly what you can expect at the Dee - Thai Cuisine from Toronto, with its *unconventional Asian fusion cuisine* - the perfect blend of what you know meets the adventurous world of fusion cuisine, meals from Thailand are prepared here with the popular spices and (fish-) sauces. The **menus are prepared authentically Asian.**
