Very nice place; visually appealing and good vibe; food was great! We had veggie chili, their version of pad Thai (Thai Keto) the poke bowl and a new pesto tofu dish. Veggie chili and kimchi stood out as winners; the fauxmon needs some more work and more smoke. Coffee soso but eggplant energy balls? Oh my gods!!! Eat them. [read more](#). In pleasant weather you can even be served in the outdoor area. The guests love it when Asian cuisine meets a bit of creativity. That's exactly what you can expect at the Archway from Montréal, with its creative Asian fusion cuisine - the right mix of familiar meets the adventurous world of fusion cuisine, There are also some *international dishes* to choose from in the menu. Last but not least, the establishment also offers a selection of **light** meals, that are unquestionably worth an attempt, Particularly the impossible fusions of different foods offer the customers a remarkable taste experience of this extraordinary fusion cuisine.
