Hidden in an alley is this tiny authentic take out [Mexican](#) restaurant. The food is delicious and the service is very friendly and efficient. Great value! Three authentic [Mexican](#) tacos for \$10. This place is nothing like the [fast food Mexican](#) chains that you can find on every block. We'll be back. [read more](#). Look forward to the *diverse, scrumptious Mexican cuisine*, traditionally prepared with corn, beans and chilies (hot peppers), You shouldn't miss the opportunity to try the flavorful [pizza](#), baked straight out of the oven in an original manner. Also try the savory Spanish menus from the kitchen of the restaurant, they are recommendable.
