This place can get noisy and hectic fast as noon nears. Generally the taste is great. The steamed rice noodle sheet in BBQ pork or shrimp rolls are too thick and not delicate. The deep fried taro dumpling is excellent. The staff was OK but generally don't look happy. [read more](#). The restaurant also offers the possibility to sit outside and be served in beautiful weather, And into the accessible spaces also come customers with wheelchairs or physical limitations. What [User](#) doesn't like about Crown Prince Fine Dining:

Lots of gold and glitter. This restaurant gets very busy, so I suppose many love the gaudiness of this place. The dim sum is good, so no complaints on that score. However the service is distinctly third rate. After very long waits we had to go in search of some of our dishes. Other dishes simply never arrived at all. Chaos reigned. [read more](#). Are you looking for **sweet treats**? In Crown Prince Fine Dining you will find **divine desserts** that will certainly fulfill your cravings, Furthermore, the customers love the creative combination of different menus with new and partially experimental products - a nice example of successful Asian Fusion. In this restaurant there is also an large selection of coffee and tea specialties not to forget, In the morning they serve a varied breakfast here.
