Well it's pub food but our server made the experience. A wonderful funny Russian gal (I think) that was top notch with the service. Quick interactive and did I say funny, my face hurt after leaving there smiled and laughed so much. [read more](#). When the weather conditions is good you can also be served outside. What [User](#) doesn't like about Salty Dog:

We visited as a table of eight, 2 couples with kids. The service was extremely slow. Took ages to get drinks, water etc. Food was at least 45mins before coming out (nothing complicated, chicken salad!). It was just okay, nothing special. The band playing were great though so made it a good experience. Good for drinks, eat somewhere else. [read more](#).
