What [User](#) likes about Thai Express:

I always found that thai express is bad and not understood why people actually buy thai express. I'm just going there because my Gf loved it. Today I showed this Thai expression that this franchise can be really delicious.

Thai Express from Montréal uses for its fine menus the Thai culinary famous spices and (fish-)sauces, along comes freshly harvested vegetables, seafood and meat, Besides, the inventive blend of different menus with new and partially adventurous ingredients is appreciated by the customers - a good case of Asian Fusion. As a rule, most **meals are prepared in a short time for you** and served, there are also *fine* [vegetarian](#) dishes on the menu.
