What [User](#) likes about Burrito Boyz:

Gluten free tortillas for burritos! When ordering make sure that you state that you have a wheat allergy and/or are celiac... by doing so they take extra care to ensure there is no cross contamination (change gloves, use new uncontaminated toppings, grill the tortilla wrapped up, etc. Be careful of their cheese, it has wheat powder on it to prevent clumping... They have gluten free tortilla shells for burritos but that is where the gluten free ends. They are at best for gluten sensitive but not gluten free. They kept touching my tortilla after touching wheat ones. Shyer getting her to change her gloves 3 times then I pick toppings that I didnt think had touched gluten tortillas. Dont do the defied beans. Then my burrito was put on a community grill to cook with all tortill... [read more](#).
