What [User](#) likes about Freshii:

moved into the opposite and was on the look for a good takeout salad option. the reviews were safe, but ready to try. fortunately I had a great experience and eating from here. I had the Fiesta shell and found it delicious. portions were exactly right and I could customize everything on the app. it was finished immediately and the staff was friendly. I've been 2x more since then and had the same experience. [read more](#). What [User](#) doesn't like

about Freshii:

ordered a chocolate peanut smoothie. they served me the wrong smoothie, I told them they made a new smoothie, the new smoothie was also the wrong smoothie. paid like \$12 for the wrong smoothie [read more](#). You can at Freshii from North York **taste delicious [vegetarian](#) courses**, in which no animal meat or fish was brought into play, You can take a break at the bar with a **cool beer** or other alcoholic and non-alcoholic drinks.

Furthermore, they provide you flavorful seafood dishes, Furthermore, the drinks menu in this restaurant is impressive and offers a good and comprehensive diversity of beers from the area and from worldwide, which are definitely worth a try.
