I noticed many bad reviews which scared me at first but amazing service from the waiter we had he was very polite, the food came out fast and was good, and the atmosphere looks clean and well taken care of. : [read more](#). As a visitor, you can use the WLAN of the restaurant at no extra cost, And into the accessible spaces also come guests with wheelchairs or physiological limitations. What User doesn't like about Mylo's:

I like this place it's beautiful, but service is not the greatest, most of the time one or two waitresses and food take about 45 min to come, kitchen is always slow. If they hire the right amount of worker they can easily be best breakfast place. [read more](#).
