The best burrito in Mississauga hands down. To the previous review of course it's not authentic mexican food! Clearly it's a fast food joint, i don't think any of the main chains are authentic :S. Just my opinion, but defiantly a place u need to try! read more. What User doesn't like about Barburrito:

I am sad the Moe's is gone. This is where it was located. The burrito was just not properly made and the ingredients not cooked properly. The rice was soggy and mushy, the beans were very over cooked, the salsa was not tasty and the packaging was sloppy. I would come back if they perfect a few things in the meal prep. read more.
