The restaurant from Toronto offers **83** different *menus and drinks* on [the card](#) at an average price of CA\$31.

What [User](#) doesn't like about [Pizza](#) and Hot Wings:

Pizza was just ok. They use canned mushrooms for the raw mushroom topping, which was disappointing. The wings, again, just ok. The sauce was good but the wings were dry. Dont know if Id order again [read more](#).

Delicious [pizza](#) is baked **hot from the oven** at Pizza and Hot Wings in Toronto using a traditional method.
