The food here is similar to Baladi, not sure if it is the same owner. I went on a Thursday at lunch and there was only 1 person behind the counter so it took a little bit of time since she was preparing the meals and doing the cash. I cannot complain though, the food was tasty and plentiful and at under 10\$ (plus taxes), I did not feel that I had to go for an afternoon snack! :) [read more](#). When the weather conditions is nice you can also be served outside. What [User](#) doesn't like about Hata Pita:

La nourriture y est excellente. Par contre les portions sont plus petites qu'avant, et les prix ont augmenté. Le service est très amical mais peut être lent étant donné qu'Hata aime beaucoup trop parler aux autres personnes présentes. Depuis le nombre d'années qu'il est là, le décor aurait facilement pu être amélioré ! [read more](#).
