Very fine [sushi](#), quiet little restaurant and very affordable. The chef is very friendly with us watching making the meal. Will go back and had some take also that tasted great. [read more](#). The restaurant also offers the possibility to sit outside and be served in nice weather, And into the accessible spaces also come customers with wheelchairs or physiological limitations. What [amir hakim](#) doesn't like about Sasa [Sushi](#):

I don't like making bad reviews for a mom and pop shop, they are very nice people, But I can't recommend this place. It's more of a Chinese [sushi](#) experience, than Japanese or Korean. I am not very happy with the obviously fake reviews either. That was not Udon, and slapping steamed broccoli in [sushi](#) is a no no. [read more](#). With fresh ingredients like fish, vegetables and meat, Sasa Sushi from Candiac prepares for you **scrumptious sushi** (e.g., **Maki and Te-Maki**) and many other variations, on the menu there are also a lot of Asian dishes. Furthermore, they provide you flavorful [seafood](#) dishes, Likewise, the customers of the restaurant prefer the large variety of differing coffee and tea specialities that the restaurant provides.
