Great little place in Brighton for good home cooked style food. Lot of seniors enjoy the daily special there. Family run place. Nice feel to it and great food for the money. Their [Pizza](#) is very good. Try Rosie's special.... Packed with the works. [read more](#). The place also offers the possibility to sit outside and eat in nice weather. What [User](#)

doesn't like about Rosie's Family Restaurant:

im a sever of over 20 years and I've never had worst service from a server/waitress as I had today. No quality checks, no drink refills, no offer of change on our bills, no acknowledgement of us leaving, or saying good bye or thank you or kiss my butt, The food was mediocre to say the least and its unfortunate, if maybe you had more personable staff, it could have made up for the lack of everything else! At Rosie's Family Restaurant from [Brighton](#), there are **delicious sandwiches, small salads and other snacks** for quick hunger in between, as well as cold and hot beverages, and you can try fine American dishes like Burger or Barbecue. Of course, we must not forget the extensive selection of coffee and tea specialties in this restaurant, The original Canadian meals are well received by the guests of the local.
