We were within a group of 10, 8 adults and two children aged 5 and 3. Order was quickly taken but the adults had all their meals before the children were served and by this time the children were restless and not really wanting to eat or sit at table. I/we would recommend that the children be served first so as to keep them occupied. [read more](#). The place also offers the possibility to sit outside and eat in pleasant weather. What [User](#) doesn't like about pizza delight:

Gave this place a few chances, and now i will quit going there. Each time we go, it's either the pizza isn't cooked enough or the cheese sticks are cold, or watch others being served and eating before our order was even taken, or going to the lunch buffet at the start of lunch and nothing is out. The location is great for me, but I've had enough. [read more](#).
