They have a range from Chinese food to bar and grill dishes. My family loves their pizza and ginger beef. They redecorated about a year ago, and it looks awesome in there. It's a licensed restaurant, and the bartenders are always friendly. I wish there was a family zone so young kids could eat there too. There's pool tables and VLT's in the back. This is my favorite place to go in Fairview. [read more](#). The restaurant also offers the possibility to sit outside and be served in nice weather. What [User](#) doesn't like about Dj's:

It's sort of a dumpy place and it's never very busy but the staff are always friendly, they have VLTs, and you can get take out chinese food. The food isn't the best I've had but also not the worst I've had and prices were pretty decent for around here. [read more](#).
