This place is a feast for the eyes as well as the mouth! I love wandering around checking out all the new goodies that are constantly arriving, while the lovely ladies make me a delicious mocha extra shot with all the fatty bits! Rarely do I walk out without a little something from this store [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physiological disabilities. What [Loretta B](#) doesn't like about *The Doorway*:

Basically this is a lovely gift shop with a Spa in the basement. Nice selection of home goods and trinkets. Coffee is very good however it would be nice if there was more seating. This really isn't the place to come in a chat with a friend over coffee; it is more a place to shop and grab a coffee to go. So as a gift shop I would give it 4 stars, as a coffee shop I would rate it 3 stars because of the lack of seating. [read more](#). If you want to **a cocktail after work** and hang out with friends, *The Doorway* from [Trail](#) is a good bar. Also, the drinks menu at this place is exceptional and offers a significant and varied diversity of both local and international beers, which are definitely worth a try. In addition to small snacks, sweet pieces and cakes, we also serve cold and hot drinks. The customers of the restaurant also appreciate the extensive selection of differing coffee and tea specialities that the establishment has to offer.
