Lots of care taken with the coffee at this spot. They have many techniques and are happy to talk to you about them to make sure you get what you want. It was a hot day so I had an iced coffee and then sat at the open window bar watching people go by on the sidewalk. Limited food, but both savory and sweet are available. Free wifi. Clean bathroom. WLAN is available at no extra cost. What [Hadryan O](#) doesn't like about Cardynal:

3 stars , for no other reason other than I personally am not a fan of single origin espresso . When paired with steamed milk it makes the milk taste sour . Otherwise this is a 5star cafe . The extensive diversity of coffee and tea specialties greatly enhances the value of a visit to Cardynal, You can take a break at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks. It goes without saying that a suitable drink completes a meal; therefore this gastropub serves a diverse range of tasty and regional alcoholic options, be it beer or wine, here they serve a **appetizing brunch** for breakfast.
