Here you will find the menu of Burning Barrel Cookhouse in Kamloops. At the moment, there are 24 meals and drinks on the menu. The reviews for the City View Grill at the Ramada Kamloops are quite mixed. Some customers had negative experiences such as cold food, lack of variety, and poor service. Others enjoyed the atmosphere, quality of food and drink, and the friendly staff. The breakfast menu received positive feedback, with fresh fruit and warm plates being highlighted. Overall, opinions on the buffet were divided, with some praising the quality and others feeling disappointed. The rooftop area was a particularly enjoyable feature for some patrons. Despite mixed reviews, the City View Grill seems to have potential as a dining destination, especially for those looking for a nice view of Kamloops.
