0 STARS!!! Rude staffs. The girls there are very rude, talking trash about the customer in their language; very poor customer services. Was great when it first opened. The owner or manager was very nice and drinks were great. I haven't gone there recently because of lockdown. Decided to try it again, I don't know if they cheaped out with their ingredients or if the girls didn't know how to make drinks. Even a customized drink saying no sugar should clear mean NO sugar not add 60% of it or whatever. I don't think they even know what drink they were making. Would not go there again and definitely would not recommend!. The fresh and tasty juices listed on the drinks menu optimally complement the dishes of the establishment, The creative fusion of different meals with fresh and partially daring products is highly valued by the guests - a good example of Asian Fusion. Not to be overlooked is also the comprehensive selection of **coffee and tea specialties** in this locale, the incredibly unconventional fusion of various components guarantees customers an unforgettable taste experience of this expertly prepared fusion cuisine.
