What [User](#) likes about Dosirak:

absolutely deadly! I have the spicy beef bulgogi. my friend warned me that I would get 2 meals in the worth of food. the waitress dared me to finish the whole thing and somehow I did it. so much taste and eat for under \$20 and easy could be 2 big meals. I will be coming back [read more](#). What [Anson Li](#) doesn't like about Dosirak:

More parking in the back but even though the food is great, they don't have enough staff in the front. Recommend take out. Insufficient staff led to inability to mop the sticky floors, slow service due to lots of takeout orders, and so on. 3 stars for take out. 2 stars for eating in. [read more](#). At Dosirak in [Parksville](#), [flavorful meat is freshly prepared](#) on an open flame and garnished with flavorful sides, Also, fans of Korean cuisine will be fully satisfied at the restaurant with menus like Bap, Kimchi or Jjigae.
