What [User](#) doesn't like about La Bartola:

The red mole wasn't that good, the tamal was dry but good. The white mole with some hard root vegetable was good flavor but the parsnip was so hard in the middle (and too big for the tortillas) that 1/3 of the dish was inedible.

This was a take out, so maybe that was the issue? I'm willing to give them another try though. [read more](#). Get excited about the **diverse, tasty Mexican cuisine**, which is traditionally cooked with corn, beans and chilies (hot peppers), Furthermore, the sugar-sweet treats of this establishment sparkle not only in the eyes of our young guests. After the meal (or during it), you have the opportunity to also relax at the bar with a alcoholic or non-alcoholic drink.
