Perhaps this business should not be classified as vegan, as it is one of five parts of a kitchen and seating area. No matter the dough bites I had were amazing. The pizza was okay. The cookie was okay. Teapot was silly and susceptible to spill. Bathroom was nice. I'd go back for the dough bites. Also felt expensive. Amazing service. read more. **Delicious pizza** is baked fresh at Seitan's in Edmonton using a time-honored method, and you can try delicious American dishes like Burger or Barbecue.
