Burgers were super juicy, staff was friendly and informative. Looks like a little burger-hack on the outside, but the food packs are bigger than life taste and quality. Definitely worth a visit when you are in Toronto. The "son of the bun" was from this world, additional kick towards the end in the face of the Jalapeño and the chicken pliers. BLT was also clearly top notch. [read more](#). What [User](#) doesn't like about Ozzy's Burgers:

Went there the first time just to order the burger combo. Burgers were good but the fries were meh. And the buns, there's something with the buns that we didn't like it much. It was too chewy. We decided to give it another try and ordered more. Similar experience. [read more](#). For quick hunger in between, Ozzy's Burgers from Toronto presents delicious sandwiches, healthy salads, and other treats, as well as cold and hot beverages, Naturally, you should also taste the scrumptious burgers, accompanied by sides like fries, salads, or wedges provided.
