Wonderful view specially if it is not cloudy. Very nice vibe and atmosphere. Food was okay. Burger was delicious, other menu was not the best though. Cod and Chips was also okay. Staff been professional and nice but service was not as expected. In general I recommend one time visit. [read more](#). The diner is accessible and can therefore also be used with a wheelchair or physical limitations, Depending on the weather conditions, you can also sit outside and eat. This Bistro is small yet refined and captures attention not just with its ambiance, but also with its offer of typical, delicate meals at typically small prices, Furthermore, the drinks list in this restaurant is impressive and offers a good and extensive variety of beers from the area and from worldwide, which are definitely worth a try. You can also look forward to **scrumptious vegetarian cuisine**, The traditional **Canadian dishes** are well received by the customers of the local.
