What **User** likes about Nick Sushi:

We do pickup everyThursday night. My wife and I get superb sushi for dinner and we never pay over 20 dollars. The variety is amazing and the quality is the best in Vancouver. Eat in or dine out this is the place for great sushi. [read more](#). The premises in the restaurant are wheelchair accessible and can also be used with a wheelchair or physical disabilities. What **User** doesn't like about Nick Sushi:

Utterly tasteless sushi, bad knife skills, very poorly produced nigiri (far too large pieces of sushi for the amount of rice). Nothing to praise, except some very pleasant service. [read more](#). The **catering service** is also provided by the restaurant for its customers, among the specialties of this restaurant are especially the **Sashimi** and **Inside-Out**. Freshly harvested vegetables, fish and meat are the main ingredients in the healthy Japanese cuisine of Nick Sushi.
