small, cozy pub with terrace back. in the sep 2021 there was a vegan dish a mushroom ravioli that presents well and tasty. two non vegan family members also had the ravioli and loved it. there was also a vegetarian suppe of the day and salads. the service was also good. updated by the previous rating on 2021-09-04 [read more](#). When the weather conditions is nice you can also have something outside. You can at Tony Et Charlo Baie-Saint-Paul try delicious vegetarian dishes, in which no animal meat or fish was brought into play, It's worth mentioning that the versatile [Canadian dishes](#) are well received by the guests of the local. Here they also cook South American fresh seafood, meat, as well as corn and rice, Naturally, you should also taste the **delicious burgers**, accompanied by sides like fries, salads, or wedges offered.
