What [User](#) likes about Kandahar Kabab: with distance the best afghani restaurant in the city. reis, kababs, naan, salat is everything delicious? the shawarma is prepared in the subway style, which is they get to choose their ingredients. they have some very tasty sauces that make food even more tasteful to eat and moreover a very prosperous and decent? the ambiente makes it a perfect family? in restaurant. 100% recommended! [read more](#). What [User](#) doesn't like about Kandahar Kabab:

\$15 is a lot for just two kabobs on a bed rice. about half a dozen people were before me, but I waited 30 minutes, normally 20, even for a shawarma. Eating is good, but not on the level of darna or Nile River Lounge. Maybe they could scratch the over-the-top chandeliers and massive glass waterfall displays and invest in the quality of food and service.
