What [User](#) likes about Mermaid's Seafood: eating was very good. the seafood were fresh and had great prices. the portion size was also huge. we had the fried calamari, sauteed garmelenplatte and fried seabrassen. the fish was perfectly cooked. I will go back to try the whiting as they sold it. the part was that the table linen was still dirty and it took one to get water. However, there was only one server to the time. overall a great experience. [read more](#). The Mermaid's Seafood in Ottawa offers various **tasty seafood meals**.
