I'm actually addicted. the personal of the owners is amazing. delicious eating. good portions. they have a refrigerator where they can buy some of their homemade products kombucha. also sell main vegan deli products, georgian bay fauxmagerie cheese, and zen za pizzas. they have been for sale (button, pullover, stickers, car decals.) I love this place. they have now changed their hours so that is a bonus! pulled jack... [read more](#). The restaurant also offers the possibility to sit outside and be served in nice weather, and there is complimentary WiFi. At Curley Brewing Company in London, you get a abundant brunch for breakfast and you can at will pamper, Furthermore, the guests of the establishment enjoy the extensive variety of the various coffee and tea specialities that the restaurant has available. One also cooks **South American** here with fresh fish, meat, as well as corn and potatoes, the menu also includes fine vegetarian menus.
