What [Judith Seki](#) likes about Sunset Grill:

Fabulous breakfast and lunch spot. Great selection and one of the only places that offer my husband's favourite corned beef hash. There's always a good crowd a testament to their high level of service and food quality. Enjoy ? [read more](#).

10/10 do not recommend. Wait staff ran by frantically and barely looked at me. Coffee was tossed down in a hurry with a splash. Did not look long enough to notice. My order was wrong and no one checked in. Probably because i was in a back corner no one could see. The offered solution was a free coffee when i brought it to their attention. Washroom also filthy. I don't expect dining from a sunset grill but i do expect my order to be correct especially considering it was ordered as on menu with no changes.
