I have eaten dinner in many Swiss chalet before, but this place truley deserves 5 stars. The staff went over the top to make my family feel at home. Great portions ghat will fill you. But I recommend saving some space for the desserts that do not want your sweet tooth anymore. I definitely recommend stopping and enjoying the kitchen. read more. What User doesn't like about Swiss Chalet:
Good wine, surprisingly. I had a chicken club and a Caesar, and both were extremely adequate. The server was friendly and the restaurant not too loud. If I had any complain it would be that the chicken club had too much chicken. It was like eating a quarter chicken wrapped in a tortilla. Would have benefitted from more lettuce, avocado, and something sour inside the wrap. read more.
