Amazing Japanese cheesecake!!! I would highly recommend it and I will definitely buy again. The cake is not very sweet, which to me is perfect, and the texture is like eating a chocolate mousse cake. It was also enough for my wife and I. [read more](#). What [User](#) doesn't like about Uncle Tetsu:

I got the vanilla cheesecake for a birthday and it was good. The taste wasn't really sweet and tasted like eggs but had a good texture and was pretty. There was also chocolate and matcha flavour for the cheesecake. [read more](#).

The visitors love it when Asian cuisine meets a bit of creativity. That's exactly what you can expect at the Uncle Tetsu from Montréal, with its successful Asian fusion cuisine - the perfect blend of familiar meets the adventurous world of fusion cuisine, On the menu there are also several *Asian menus*. Of course, we must not forget the comprehensive variety of coffee and tea specialties in this restaurant, and it's made with lots of freshly harvested vegetables, fish and meat, **easily digestible Japanese meals** cooked.
