What [User](#) doesn't like about Green Spot Restaurant:

It took some quick, famine and had to sleep with him. If some hot dogs had been steamed, I think they weren't cooked enough. One of the bungalows had a crusty place in it and wondered if it was still fit to eat. But all in all... they smeared as they should (a hot dog on the right). Friends were good. The staff was friendly and made the visit good. [read more](#). If you're desiring some hot South American gastronomy, you're in the right place: tasty meals, made with fish, sea creatures, and meat, but also **corn, beans, and potatoes** are in the menu, The tasty sandwiches, small salads and other snacks can be planned well as a snack. The burgers of this place are among the highlights and are usually served with side dishes such as chips, salads or wedges, The guests of the restaurant also consider the extensive selection of differing *coffee and tea specialities* that the establishment offers.
