Ging with the family today and had a great experience. Many food and staff warmed up after chatting and joking with them. I would definitely go back and the court they made for my daughter was amazing. They called it a sweet and spicy cake... they put seaweed on some rolls with spicy Mayo and made a flower of salmon. Did her day. read more. What User doesn't like about Kikaku Sushi:

Overpriced. Ordered a Chirashi entree and it was mediocre. It comes with butterfish which I didn 't realize till later that it 's aka Escolar. Escolar is bad for you and is cheap fish. Plus this isn 't like a standard chirashi... its more like sashimi on rice and nothing more. \$33 later and I 'm not satisfied. The farm raised fish is fresh though. Will not return again. read more.
