It is good but I went for the first time today and they forgot my chicken. I'm kinda upset since i didn't notice until i got home and started eating. What [Brenda Kohut](#) doesn't like about Freshii:

This location has really gone downhill. I order the Fiesta Bowl. The avocado, when they have it, is rotten. Who would serve that to anyone?!? And the bowl itself has limited lettuce but TONS of corn and beans. It's supposed to be a salad with a bit of corn and beans. NOT a corn and bean salad with a bit of lettuce. Very disappointing. In case you're craving some fiery South American cuisine, you're in the right place: tasty dishes, prepared with **fish, seafood, and meat**, but also corn, beans, and potatoes are on the menu, and you have the opportunity to try fine American meals like *Burger or Barbecue*.
