What [Kris K](#) likes about Food Village:

I enjoy the convenience of their nutritious frozen, tasty home cooked style meals with no additives, preservatives or hormones, ready to put in the oven anytime! Friendly, efficient meal advisors also! [read more](#). What [Denise H](#)

doesn't like about Food Village:

Food is not fresh. I ordered chicken Korma and matter paneer. I threw everything in the garbage. Korma had zero flavor., vegetables were all dried out ie peas. Would not order here again . I have been here a few times years ago and food was edible but there are so many much better quality restaurants , will not go back. . [read more](#). The restaurant also offers its customers a catering service, Generally, the menus are prepared *in the shortest time and fresh* for you. Furthermore, they proffer you fine seafood dishes, One also prepares menus deliciously and freshly with typical Indian spices.
