Went out for dinner and it was amazing! The food came quick and was delicious! Lauren was our server and she was absolutely great, very personable, friendly, helpful and patient! Wish all servers could be like she is! Can't wait for our next visit [read more](#). What [User](#) doesn't like about Archie's Fish Chips:

Accessible parking but NOT accessible entry doors, and there are two that have to be used! What is the use of accessible parking but no power assisted doors? Your other restaurant has them. Get a grip, spend some money, and help your disabled customers! The food and staff are great. Wheelchair accessibility: Non-existent! Apart from car parking. [read more](#). The restaurant offers complimentary WLAN for its guests. At Archie's Fish Chips from London, different *exquisite French menus* are served, and you may look forward to the delicious traditional [seafood](#) cuisine.
