One of the greatest 5 star experienthat Guelph has to offer. Everything was perfect this place does not even required to be on Google. They have a very loyal clientele. The owner of this place is a gentle soul who knows how to spread joy into this world! [read more](#). What [Rory Mc](#) doesn't like about Romero's:

Very disappointed with my Souvlaki dinner. \$25 for two skinny skewers, a cup of rice and fries instead of proper potatoes (I couldn't believe I opened the box to French fries in a Souvlaki dinner). Food was only OK, chicken was o ercooked and over seasoned and really just massively ocer priced for the small portion you get. Won't be going back when there are so many better options around the town. [read more](#). When the weather conditions is nice you can also have something outside, And into the accessible spaces also come guests with wheelchairs or physical disabilities. Romero's from Guelph is a suitable bar to have a beer after work, and sit with friends or alone, and you can look forward to the tasty traditional [seafood](#) cuisine. Furthermore, there are easily digestible **Mediterranean meals** on the menu, and you can look forward to authentic Italian cuisine with classics like [pizza](#) and pasta.
