Thankful for vegan options! Ordered the veggie burger for the second time ask for: no mayo ,no cheese aka vegan version and was once again brought a delicious veggie burger that doesn't have a weird artificial meat flavour this patty is veggie\* based . They have 3 vegetarian options in total but not a solely vegan one so you will have to read what's on it and specify with the waitress what's in it/ what not\* to inclu... [read more](#). What [Wael A T](#) doesn't like about Fatburger Okotoks:

I ordered online to save time when I arrived there they forgot to do my order( they are not busy at all) and I wait for more than 10 minutes to take my order. The lady didn't even apologize or compensate me for that. I sent an email as they requested but unfortunately no response. The owner response is just for showing off. [read more](#). If you're hungry some *spicy South American gastronomy*, you're in the right place: delightful menus, made with **fish, sea creatures, and meat**, but also corn, beans, and potatoes are in the menu, for breakfast they serve a extensive breakfast here. It should not be forgotten that there is a large selection of coffee and tea specialties in this restaurant, and you can try fine American dishes like Burger or Barbecue.
