We wandered into Turk's on Canada Day and it was quite busy but we got a seat. My husband got a mocha which he loved and my decaf latte with a shot of hazelnut was the best coffee I have ever had. It was robot without being bitter and no migraine came on. Loved it. You can read the full review on my website Suzie the Foodie. [read more](#). The restaurant offers complimentary WiFi for its guests, Depending on the weather conditions, you can also sit outside and be served. What [Jordan Ross](#) doesn't like about Turks Coffee:

I do enjoy all of the vegan pastries from To Live For, which makes it more disappointing that if you want to choose a non-dairy milk for health, ethical or sustainability reasons Turks will charge you \$1.25 for the privilege of doing so. Even with inflation the surcharge represents more of a profit-premium than a fair accounting of the ingredient costs. Dietary restrictions: Good vegan pastry options but a very high u...
