If you're desiring some [spicy South American cuisine](#), you've come to the right place: exquisite menus, cooked with **fish, seafood, and meat**, though corn, beans, and potatoes are also on the menu, Moreover, the sweet desserts of the house shine not only in the eyes of our little guests. Not to be overlooked is also the extensive selection of coffee and tea specialties in this restaurant, In addition, the current games or races can be watched on the big screen in this sports bar, which the visitors also love.
