I was there for lunch with my sisters who do not have a Swiss Chalet up north. I had the combo ribs and chicken and my sisters had the wings and ribs. They loved it and the portions were so big they brought half of it home for dinner. We love Swiss Chalet. It's great food, wonderful ribs for a good price! Eat your heart out Americans!! [read more](#). The restaurant also offers the possibility to sit outside and be served in beautiful weather. What

[JimParkway](#) doesn't like about Swiss Chalet:

Our large group had to wait a long time, close to an hour, before sitting. The restaurant was not full; somehow, they could not find us seats with 2 tables nearby. During our wait, no one staff gave us any updates. The meals were good as usual. Our waitress was very bad/poor. She missed our appetizer totally; it finally showed up after we done our meal. The final kicker was paying our bill. She keep trying to get us... [read more](#). Swiss Chalet, popular for its original Canadian menus, uses products that are typical of the country, They also present nice South American meals to you on the menu. Also, they serve you **delicious seafood meals**, and you have the opportunity to try fine American meals like *Burger or Barbecue*.
