We can't go to baddeck without tasting their pizza. despite a very large achling, whether to eat on the spot or to bring, their service is extraordinary. There's a good organization in this little restaurant. Moreover, there is a very large variety of pizza. [read more](#). In pleasant weather you can even be served in the outdoor area, And into the accessible spaces also come guests with wheelchairs or physiological limitations. WLAN is available at no extra cost. What [MerlintheMagician](#) doesn't like about Tom's Pizza:

For all the hype, we were disappointed. Barely any sauce. Good pizza crust texture. Could not taste much. Very busy place. No salads or other entrees during summer season. Don't recommend [read more](#). In Tom's Pizza in [Baddeck](#), they prepare [tasty_pizza](#) using a time-honored method, served **straight out of the oven**, there are also *delectable vegetarian menus* on the menu.
