What [User](#) likes about Pizza Village:

First off I would just this pizza is the BEST pizza that I have ate in a couple of months. The staff to was very nice to me and the pizza was delicious. It was like I was in Rome just a great place to eat. I will definitely recommend this place to anyone who loves pizza. [read more](#). What [User](#) doesn't like about [Pizza Village](#):

Very disappointing pizza; sauce had a ketchup like taste and the pizza was undercooked. Stingy with toppings, only had a few peppers on my pizza. Top it off with a grumpy, irritable owner and it is not a place I will be returning to. I...really like supporting local restaurants, but I will not be spending my money here! [read more](#). In Pizza Village in Maple,, they prepare delicious pizza using a traditional method, served **straight out of the oven**.
